Dear Board of Trustees,

Plum Canyon Elementary is requesting permission for our Kindergarten students to travel by bus to participate in a field trip to the Discovery Cube in Los Angeles on May 23, 2017.

Our Kindergarten students will be exposed to science, technology, engineering and math, thus preparing students to successfully enter the workforce and become productive, problem-solving community members. The exhibits and programs help students improve their science proficiency in the classroom and better understand the Next Generation Science Standards.

Admission and bus expenses will be covered by PTA and parent donations.

Sincerely,

Mary Mann
Principal
