

**REIMBURSEMENT AGREEMENT
BETWEEN THE SAUGUS UNION SCHOOL DISTRICT
AND KB HOME CALIFORNIA LLC**

This **REIMBURSEMENT AGREEMENT BETWEEN THE SAUGUS UNION SCHOOL DISTRICT AND KB HOME CALIFORNIA LLC** ("Reimbursement Agreement"), is made and entered into as of May 17, 2017, by and between the **SAUGUS UNION SCHOOL DISTRICT** ("School District") and **KB HOME CALIFORNIA LLC** ("Property Owner"). School District and Property Owner may hereafter individually be referred to as "Party" and collectively as "Parties."

RECITALS

A. Government Code Section 65995.7(a) allows a school district to impose Level III Alternative School Fees ("Level III Fees") if: (i) the school district complies with the requirements of Government Code Section 65995.5, and (ii) State Funds for new school facility construction are not available. State Funds are not available if the State Allocation Board ("SAB") makes a determination that the SAB is not approving apportionments for new construction due to a lack of funds available.

B. On Wednesday May 25, 2016, the SAB represents that it has made a determination that: (i) State Funds are not available for new construction, and (ii) that as of September 2015, the SAB is no longer approving apportionments for construction due to a lack of funds available.

C. School District represents that it has met the requirements of Government Code Sections 65995.5, 65995.6, and 65995.7 and on September 6, 2016 adopted a School Facilities Needs Analysis adopting Level II Alternative School Fees ("Level II Fees") and Level III Fees (collectively, "Alternative School Fees").

D. Pursuant to Government Code Section 65995.7(b), the governing board of a school district may offer a reimbursement election to the person subject to the fee, charge,

dedication, or other requirement that provides that person with the right to monetary reimbursement of Level III Fees in the amount that exceeds the school district's Level II Fee to the extent that the school district receives funds from State sources for construction of the facilities for which the Alternative School Fees are imposed, less any amount expended for interim housing. At the option of the person subject to the fee, charge, dedication, or other requirement the reimbursement election may be made on a tract or lot basis.

E. Reimbursement of available funds shall be paid with State Funds received by the school district for the purpose of constructing the facilities for which the Level III Fees are imposed, less costs of interim housing. Such Reimbursement of State Funds shall be made within thirty (30) days as such State Funds are received by the school district.

F. Property Owner is seeking Certificates of Compliance ("COC") for development of Canyon Heights & Canyon Crest at Plum Canyon Ranch (Tr. 46018-08, -09, -10) ("Project"). The District represents that such COCs may only be obtained upon Property Owner's payment of Statutory School Fees and/or Alternative School Fees to School District.

G. School District and Property Owner desire to enter into this Reimbursement Agreement for the purpose of providing for a potential future reimbursement of a portion of Level III Fees paid as provided by applicable law.

NOW, THEREFORE, in consideration of the promises, mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties do hereby covenant, declare and agree as set forth below:
