**Topic of Hearing: Education Protection Account (EPA) and Spending Plan
for the 2017-18 school year**

Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the funds received from the EPA are spent.

As a condition of receipt of the funds, the Governing Board is required, at a regularly scheduled open public hearing, to take testimony from the public, discuss, and approve or disapprove the proposed use of funding and to make explicit the purposes for which the funding will be used.
