# The Single Plan for Student Achievement 

| School: | Highlands Elementary School |
| :--- | :--- |
| CDS Code: | 19649986068860 |
| District: | Saugus Union Elementary School District |
| Principal: | Susan Bender |
| Revision Date: | $11 / 06 / 17$ |

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

| Contact Person: | Susan Bender |
| :--- | :--- |
| Position: | Principal |
| Phone Number: | $661-294-5320$ |
| Address: | 27332 Catala Avenue |
|  | Saugus, CA 91350 |
| E-mail Address: | sbender@saugususd.org |

The District Governing Board approved this revision of the SPSA on .

## School Vision and Mission

## Highlands Elementary School's Vision and Mission Statements

The staff at Highlands Elementary School strives to insure academic, social and emotional success for every student. At Highlands, our PBIS mission is for every student, family and staff member to: HAVE RESPECT, ACT RESPONSIBLY, WORK TOGETHER, KEEP SAFE so that we can SOAR TO SUCCESS!

## School Profile

Highlands Elementary School School serves 380 students in grades Kindergarten through Sixth including students in Special Day Classes. The community is very supportive and invests much time, effort and energy to insure the school experience is positive for all children. Academic progress and social growth are promoted through a rich, nurturing learning environment. Dedicated teachers and staff, along with the parent and student population continue to set high academic standards for the school. Professionalism is exemplified in the collegial manner that staff treat one another; They are positive, open to new ideas, embrace technology and strive to find new ideas to meet the needs of our diverse population.

At Highlands, there is a strong sense of family and community. We believe that positive interaction between staff and family strengthens the feeling of support all children need for school success. Parents volunteer in the classroom and for other areas of need around our school. The Parent Faculty Organization (PFO) is instrumental in supporting Highlands Elementary School, its staff and families, and the educational programs provided at the school.

## Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The Site Council sends out a survey every spring to all families. Students in grades three through six are surveyed using the PBIS Student Climate Survey. Staff is surveyed regularly on topics ranging from the date for Back to School Night to curricular choices.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The site administrator walks through classrooms on a regular basis to observe instruction and learning as well as to provide feedback to the teaching staff. The Highlands teaching staff has been involved in Learning Walks since the 2014-15 school year and will continue this school year.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special
consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

At the beginning of the school year, the Highlands teaching staff and administrator analyze results from beginning of the year assessments and state-wide assessment findings. This data is used to develop school,grade level, teacher and student goals for the upcoming year. Teachers are required to review the data for the students assigned to their classroom. Teachers then use this data to insure their instruction meets the needs of students. Administrators review these plans with the teachers during Professional Planning conferences and throughout the course of the school year.
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teaching staff uses formative, chapter, and benchmark assessments to make instructional shifts and curricular adjustments.

## Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All Highlands teachers meet the qualifications as "Highly Qualified Staff".
4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All core materials used during instruction are on the state approved list. We are compliant under the Williams Decree.
5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development is aligned with our school plan goals. Staff development needs are determined through an on-going analysis of student data and the professional needs of teachers. Staff development is provided to the teaching staff during staff meeting and site CIP times and have included topics of: direct instruction, visible learning, using effective learning intentions, raising rigor in the classroom, how to effectively use data, technology integration.
6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

New teachers receive support from Induction Teachers and PAR Coaches; Ongoing support for the teaching staff is provided by District Instructional Coaches and Teachers On Special Assignment
7. Teacher collaboration by grade level (kindergarten through grade eight [ $K-8]$ ) and department (grades nine through twelve) (EPC)

Collegial Planning Days is a commitment by our district to provide release time to our teachers for planning purposes. During Early Release Wednesdays teachers meet in grade level groups for Collaborative Instructional Planning.

## Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Highlands Elementary School staff and administration are committed to ensuring that all curriculum and instruction are aligned with common core state standards. All core and support materials support these efforts. Instruction is differentiated to meet the needs of all students.
9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC)

Pacing and planning of ELA and Mathematics meets the recommended minutes of instruction.
10. Lesson pacing schedule ( $\mathrm{K}-8$ ) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

There is flexibility in the master schedule to insure that students needing intervention support services are provided with those supports.
11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Standards-aligned textbooks and instructional materials for all student groups are sufficient in both quality and quantity in each subject area. We follow all materials adoption time lines determined by the state and District.
12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Standards aligned textbooks and instructional materials for all student groups are sufficient in both quality and quantity in each subject area. All Highlands students have the required textbooks; therefore we are Williams Decree compliant.

## Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers collaborate at regular intervals to review student assessment data and plan for interventions. These interventions include targeted small group instruction, focused upon student needs. Highlands has two instructional assistants who provide additional support to students to students in Kindergarten through Grade Six. A part-time school psychologist (three days a week) provides support to teachers regarding behavioral, academic, and emotional concerns. A counselor works with students three days a week on social skills and other school-related issues.
14. Research-based educational practices to raise student achievement

All teachers at Highlands have received explicit direct instruction training.

## Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Teachers and administrators communicate on an on-going basis with families and community members, through the weekly Highlands e-newsletter and various classroom newsletters. These forms of communication include electronic and paper formats. Additional communication is done through email, phone calls, websites, conferences, family nights, and Student Study Team meetings (when necessary). The Highlands Parent Faculty Organization (PFO) also assists in providing after school enrichment classes.
Plans are being initiated to include family nights in order to assist parents with strategies to assist their children at home.
16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)
17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Intervention services are provided to students who need additional support; A Homework Club has been established for students and families needing support with these assignments.
18. Fiscal support (EPC)

| All Grades | 21 | 24 | 23.50 | 56 | 61 | 51.71 | 23 | 15 | 24.79 |

## Conclusions based on this data:

1. According to 2016-17 data, $47 \%$ of Highlands students are meeting/exceeding standards in ELA, a decrease of 2\% from 2015-16.
2. The range of overall achievement in ELA in grades $3-6$ is between $36 \%$ and $58 \%$.
3. Insuring that our students are receiving rigorous instruction that aligns to the ELA CCSS is a goal for Highlands.

| All Grades | 5 | 11 | 8.33 | 65 | 70 | 41.67 | 30 | 19 | 50.00 |

## Conclusions based on this data:

1. There is a 40 PERCENTILE POINT achievement gap between ALL STUDENTS GROUP and ENGLISH LANGUAGE LEARNER GROUP.
2. The TARGET AREA of LISTENING is the area for the greatest need of growth; $67 \%$ of EL STUDENTS fell BELOW STANDARD in this area.
3. $50 \%$ of EL STUDENTS fell BELOW STANDARD in READING and RESEARCH/INQUIRY.

| All Grades | 20 | 45 | 37.04 | 67 | 55 | 44.44 | 13 | 0 | 18.52 |

## Conclusions based on this data:

1. $59 \%$ of RFEP STUDENTS are MEETING/EXCEEDING STANDARD in ELA.
2. There is not a significant pattern of improvement in any of the TARGET AREAS for EL STUDENTS.
3. A systematic, research-based program for ELD is needed. A review of the RFEP process is also necessary.

## Conclusions based on this data:

1. $58 \%$ of RFEP STUDENTS NEARLY MET OR DID NOT MEETING STANDARD in MATHEMATICS.
2. A review of the RFEP process is necessary.

## Conclusions based on this data:

1. $60 \%$ of ECONOMICALLY DISADVANTAGED STUDENTS nearly met/did not meet standard in ELA.
2. There is a 7\%ile point achievement gap between the ALL STUDENT GROUP and ECONOMICALLY DISADVANTAGED STUDENTS.
3. WRITING is a TARGET AREA for this subgroup, with $40 \%$ of students NOT MEETING STANDARD.

1. There is not enough data to make effective conclusions.

## California Data Dashboard (Status Report)

California School

Home Saugus Union-Los Angeles Highlands Elementary Status and Change Report

## Status and Change Report

## Highlands Elementary - Los Angeles County

| Enrollment: 430 | Socioeconomically Disadvantaged: 27\% |  | English Learners: 11\% | Foster Youth: N/A | Grade Span: K-6 | Charter School: No |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Reporting Year: | Spring 2017 |  |  |  |  |  | $\checkmark$ |
| Equity Report | Status and Change Report | Detailed Reports | Student Group Report |  |  |  |  |

The status and change report provides the performance level for all students on state indicators. It also shows how the current year (status) compares to prior years (change) for each state indicator. Status and change each have five possible levels, which are displayed with the data for each indicator. Select any of the underlined indicators for more detailed information.
State Indicators All Students Performance
Performance Levels: Blue (Highest) Green (Lowest)
An asterisk ( ${ }^{*}$ ) shows that the student group has fewer than 11 students and is not reported for privacy reasons. The performance level (color) is not included when there are fewer than 30
students in any year used to calculate status and change. An N/A means that data is not currently available.

## Planned Improvements in Student Performance

## School Goal \#1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Student Achievement

## LEA GOAL:

Increase student achievement.
Ensure California Standards instruction and instruction in all content areas to meet standards.
Ensure students have course access to all subject areas.
Increase other student outcomes in areas not tested by CAASPP or CST.

## SCHOOL GOAL \#1:

Increase student achievement in English Language Arts and Math for all students K-6, as measured by CAASPP results (10\%), district and school assessments. Increase percentage of 5th grade students meeting five or six criteria (out of six) on the Physical Fitness Test by 10\%.
Increase English language proficiency by one level for ELL students K-6.
Provide instruction for all students K-6 in the Visual and Performing Arts standards
Increase student access and use of technology K- 6 according to their grade level standards.
Provide instruction in Social Studies based on the California State Standards for all students K-6.
Provide differentiated instruction for students with IEPs or designated GATE students to meet their individual needs.

## Data Used to Form this Goal:

Smarter Balanced/CAASPP Assessment
Physical Fitness Test - 5th grade
Formative, Chapter, Benchmark, Summative Assessment Data - Math, ELA, Science, Social Studies
CELDT/ELPAC/ADEPT Data
School Site Council Parent Survey/School Climate Survey/ Staff Surveys

## Findings from the Analysis of this Data:

2016-17 data from Smarter Balanced Assessments in English Language Arts and Math set baseline data to be used for goals for 2017-18.

- $52 \%$ of students are not meeting CCSS ELA as defined by CAASP TESTING RESULTS; $65 \%$ of students are not meeting CCSS MATHEMATICS as defined by CAASPP TESTING RESULTS.
- There are achievement gaps by more than 10 percentile points between the ALL STUDENT group and STUDENTS WITH DISABILBITIES and NSLP student group.
- $66 \%$ of students are not meeting CCSS MATHEMATICS as defined by CAASPP testing scores. There are achievement gaps by more than 10 percentile points between the ALL STUDENT group and STUDENTS WITH DISABILITIES and NSLP student group.

## How the School will Evaluate the Progress of this Goal:

Student performance on CHAPTER, FORMATIVE, BENCHMARK and SUMMATIVE assessments will be monitored by teaching staff and administration. Instructional shifts and curricular modifications will be made as needed.

## Analysis of Ongoing Progress

## Planned Improvements in Student Performance

## School Goal \#2

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Student and Parent Engagement

## LEA GOAL:

Increase meaningful and purposeful student and parent engagement.
Parent Involvement
Pupil Engagement
Student Attendance

## SCHOOL GOAL \#2:

## Increase student attendance

Decrease student truancy rate
Increase meaningful and purposeful student and parent engagement

## Data Used to Form this Goal:

Data from student surveys
Data from teacher/staff surveys
Student attendance data
School Site Council Survey data
Attendance records from parent meetings (ELAC, Site Council, GATE, PFO,Conferences)
Volunteer sign-in sheets
Electronic accounting of emails, website, etc.

## Findings from the Analysis of this Data:

According to the annual School Site Council survey, parents are happy with the school, yet we have experienced decreased parent attendance at school meetings (PFO, ELAC) Approximately $54 \%$ of the stakeholders read the electronic Highlands Newsletter. Attendance records indicate that Highlands has a number of students who consistently arrive at school tardy and/or who have unexcused absences. Our Truancy Rate is $18 \%$. Students appear to be happy at school based upon the low number of referrals to the office for disciplinary issues. We do have many students who are repeat visitors for some issues. We did have one suspension in 2015-16 .Data from student surveys as to feelings of connectedness and safety from $91 \%$ to $95 \%$ by grade levels, provide additional affirmation to confirm student perceptions. We will start to slow roll out of the Positive Behavioral Interventions and Supports (PBIS) with staff and anticipate full implementation in the next school year.

## How the School will Evaluate the Progress of this Goal:

Data from parents, students and teachers/staff and records of electronic communication will provide affirmation. Classroom and playground observations by the administrator will also provide information. Attendance records from parent meetings. Numbers from attendance records.

## Analysis of Ongoing Progress

Weekly Highlands Newsletter with school information is used to make the home school connection. Monthly letters are sent to parents of students with excessive tardies and unexcused absences. Monthly meetings at school (SART) and (DART) as needed for parents of students with excessive tardies and unexcused absences. SARB meetings are held on the District level for students with excessive absences.

| Actions to be Taken to Reach This Goal | Students to be Served | Person(s) <br> Responsible | Proposed Expenditure(s) |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  | Description | Type | Funding Source | Amount |
| Parent and Student Engagement: | All K-6 students | Administration <br> Teaching Staff | Sub release time for planning of events | 1000-1999: <br> Certificated <br> Personnel Salaries | None Specified |  |
| Students will complete a survey about their connectedness and sense of safety at school. |  |  |  |  | LCFF - Base | 500 |
| Teachers will cooperate across the grade levels to create Buddy |  | Support Personnel | Additional time for classified staff to support any events | 2000-2999: Classified <br> Personnel Salaries | LCFF - Base | 500 |
| Activities for their respective students. |  |  | Supplemental items to be purchased for events | 4000-4999: Books <br> And Supplies | LCFF - Base | 500 |
| Students in grades 3-6 will follow the democratic election process through participation in Student Leadership elections. Student leadership will conduct activities to support/increase student engagement. |  |  |  |  |  |  |
| Students and staff will participate in spirit assemblies to foster a sense of community and connectedness. |  |  |  |  |  |  |
| Positive Behavior Intervention and Supports will be launched and supported throughout the 2017-18 school year. |  |  |  |  |  |  |
| Blue Tickets tickets given by Campus Supervisors at lunch for |  |  |  |  |  |  |

| Actions to be Taken to Reach This Goal | Students to be Served | Person(s) <br> Responsible | Proposed Expenditure(s) |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  | Description | Type | Funding Source | Amount |
| students/classes following behavior expectations and exceeding expectations. |  |  |  |  |  |  |
| Continue to send out the enewsletter and to update school website. Insure that hard copies are available in office of newsletter and other notices. |  |  |  |  |  |  |
| Construct brochure for student release in case of emergencies. |  |  |  |  |  |  |
| Targeted students will continue to participate in Circle of Friends. |  |  |  |  |  |  |
| Family engagement activities will developed and implemented to foster families' abilities to engage in students' learning. |  |  |  |  |  |  |
| School band will be formed and choir will continue; performances will include both in school and community-based events. |  |  |  |  |  |  |
| Clean up day will be conducted in early spring. |  |  |  |  |  |  |
| New parent event and tours will be conducted in spring as well as new parent group. |  |  |  |  |  |  |
| Construct new parent handbook (simplified). |  |  |  |  |  |  |
| Incentives to parents to attend meetings (ELAC, PFO, other) |  |  |  |  |  |  |
| Open Parent Portal in Infinite Campus for parents to view grades |  |  |  |  |  |  |

| Goal Number | Total Expenditures |
| :---: | :---: |
| Goal 1 | $41,511.00$ |
| Goal 2 | $1,500.00$ |

## School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

| Name of Members |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Susan Bender | X |  |  |  |  |
| Jenny Glauser |  |  |  | X |  |
| Mindy Peacock |  |  |  | X |  |
| Stephanie Alexander |  |  |  | X |  |
| Jennifer Schneider |  |  |  | X |  |
| Sarah Loth |  |  |  | X |  |
| Dan Kurtz |  | X |  |  |  |
| Christine Lowry |  | X |  |  |  |
| Maggie Erickson |  |  | X |  |  |
| Linda Corcoran |  | X |  |  |  |
| Numbers of members of each category: | 1 | 3 | 1 | 5 |  |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan (Check those that apply):

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on November 6, 2017.

Attested:

Susan Bender

Typed Name of School Principal

Jenny Glauser
Typed Name of SSC Chairperson
Signature of SSC Chairperson

## Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan (Check those that apply):
State Compensatory Education Advisory Committee
Special Education Advisory Committee
Gifted and Talented Education Program Advisory Committee
District/School Liaison Team for schools in Program Improvement
Compensatory Education Advisory Committee
Other committees established by the school or district (list):
4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on November 6, 2017.
