# The Single Plan for Student Achievement 

School: Mountainview Elementary School
CDS Code: 19649986112528
District: Saugus Union Elementary School District
Principal: Katie Demsher
Revision Date: 11/13/2017

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

## School Vision and Mission

## Mountainview Elementary School's Vision and Mission Statements

Our Mission:
The Mountainview Staff, together with Parents and the Community, is dedicated to teaching each child the elementary standards and developing their character and creativity in a safe environment building the foundation to become successful, contributing members of our school and community.

Our Vision:
Developing the Hearts and Minds of Every Child

Our Values:
Integrity ${ }^{\sim}$ Commitment ${ }^{\sim}$ Compassion~Learning ${ }^{\sim}$ Creativity ${ }^{\sim}$ Innovation

## School Profile

Mountainview Elementary School is the academic home of 903 students and a staff of 100 adults who come together daily to implement our vision of academic excellence. We believe that a positive partnership among home, school, and community enables our students to become socially responsible citizens who contribute to a rapidly changing and culturally diverse society. High academic and behavior standards are couched in the care and support that encourages each child to achieve personal bests. As a result, Mountainview has been named a California Distinguished School three times, a National Blue Ribbon School, and a Gold Ribbon School most recently in 2016.

Average Class Size and Class Size Distribution:
Our average class sizes as follows:
Transitional Kindergarten- 1st Grade - 24:1
2nd- 3rd grades- 26:1
4th-6th grades- 31:1
Moderate to Severe Special Day Class (SDC 2) Grades TK-6R

Opportunities for Parental Involvement :
Mountainview parents and community members serve as Site Council leaders, active PTA council members, and volunteers who regularly provide services in the classroom. Site Council monitors all school programs, safety, and the budget. PTA partners with us to enhance the curriculum through providing music and arts programs and instruction, and off campus curricular tie-ins. PTA also helps our Student Service Leaders coordinate community service opportunities.

Professional Development:
Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Beginning Teacher Induction Program extends individual training and support in the practice of teaching. Additionally, we have a Peer Assistance and Review (PAR) program to extend assistance and support to credentialed teachers newly hired who may need support transitioning into our school district.

Professional growth activities are planned annually based on current needs and input received from staff. This year the teachers' work calendar includes two professional development days that focus on Technology training of our new Interactive Flat Panels (IFP) and Next Generation Science Standards (NGSS). Additional opportunities have also been provided regarding Special Education needs, TOSA workshops, and planning time within grade level teams to implement the State Standards. Staff development during Tuesday staff meetings primarily focuses on continued implementation of effective instructional strategies understanding and continued lesson development to help students master State Standards (CCSS) in English Language Arts (ELA) and mathematics. We continue to implement SUSD School Board Directives to implement 30 minutes of ELD instruction daily, to provide Intervention for struggling students, and to target listening and speaking standards. Collaborative Planning time has been made available by early release days on designated Wednesdays and 3 full days of planning throughout the school year to continue with the aforementioned directives while correlating the State Standards.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

School Facility Conditions and Planned Improvements have been completed for 2017-2018 and include:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

## Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Annually we survey parents to determine areas of strength and areas of needed growth from the previous school year. These results are reviewed by our School Site Council and staff to be considered as we plan for the new school year.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Administration walks through classrooms on a regular basis. Every grade level is visited weekly and feedback is emailed to teachers. We have adjusted Learning Walks based on teacher feedback, which allows teachers from each grade level to walk through their grade level classrooms. Two of the teachers present lessons to be observed based on lessons developed by the team. The team debriefs at the end of the observation timeline and makes a plan for implementing next steps from debrief Discussions regarding implementation of staff development and next steps for staff are shared at the following staff meeting. By the end of the year, every teacher will have participated in a Learning Walk.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Teachers regularly analyze CELDT, ADEPT, and teacher created benchmark assessments in order to plan for targeted instruction. We have CAASPP results in the areas of ELA and Mathematics over a three year span to begin to look for trends. We have data for our 5th grade students in the area of Physical Fitness, however, we have no data regarding science due to it being a pilot year for the CAST. We are using this data as a platform to develop steps for improvement as we continue with our State Standards. We have begun staff development for the new Next Generation Science Standards.
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

## Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All teachers are fully credentialed.
4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are credentialed and have completed $A B 466$ training.
5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Weekly staff meetings and semi-annual staff development days are devoted to increasing teacher skills in the area of brain research, differentiated instruction for our RtI/GATE students, English Language, and implementation of Common Core State Standards (CCSS).
6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

All teachers (100\%) are given students who are low performing so that the students can be given the opportunity to have small group instruction regularly, and to be able to have positive academic peer modeling. District ELD Coaches assist our ELD cluster teachers with ongoing instruction and planning. District TOSA provides support in gathering and implementing CCSS materials.
7. Teacher collaboration by grade level (kindergarten through grade eight [ $K-8]$ ) and department (grades nine through twelve) (EPC)

Teachers meet as grade levels for Professional Planning Conferences. In addition, teachers meet together for release time planning during portions of staff meetings ,during early realease Wednesdays for Collaborative Instructional Planning, 8 half day CIP team planning days, and as the budget allows.

## Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Teachers, administrators, and District Personnel diligently align curriculum to content and performance standards annually.
9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC)

Teachers follow the District suggested allocated minutes guidelines.
10. Lesson pacing schedule ( $\mathrm{K}-8$ ) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Every grade level collaborates to plan in-class and cross grade level intervention.
11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students are provided standards based state adopted text books. Additional curriculum is provided to student groups based on the need for remediation, challenge, or second language.
12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All students are provided with standards aligned instructional materials, and as appropriate, standards based intervention materials.

## Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Students receiveing special support services use approved curriculum to meet specific, targeted goals as outlined in their IEPs. Our ELD students receive additional instruction using the ELD standards. Our GATE students are provided enrichment and challenge activities through regular use of GATE icons. All students are provided with targeted remediation or enrichment through our ZOOM program.
14. Research-based educational practices to raise student achievement

Teachers work collaboratively to plan and observe each others lesson during our learning walk process. This allows for targeted discussion about effective teaching practices as it relates to students achievement. School and community libraries are available. Some teachers provide after school tutoring.

## Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

The school provides Student Success Team (SST) meetings where parents and teachers collaborate solutions for individual student needs. Where indicated, students have an IEP.
16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Teachers and Site Council members provide input and approval for all school goals.

## Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical funds allow us to provide additional small group instruction time and alternate curriculum to help improve their performance.
18. Fiscal support (EPC)

## School and Student Performance Data

## CAASPP Results (All Students)

## English Language Arts/Literacy

| Grade 5 | 42 | 55 | 49.57 | 55 | 41 | 39.13 | 4 | 4 | 11.30 |
| Grade 6 | 40 | 45 | 40.19 | 54 | 45 | 50.47 | 6 | 10 | 9.35 |
| All Grades | 36 | 41 | 40.47 | 57 | 50 | 49.41 | 7 | 10 | 10.12 |

## Conclusions based on this data:

1. $2016 / 17$ data shows that student achievement some minor increases and decreases across all grade levels in multiple areas of English Language Arts.
2. $2016 / 17$ data shows that we need to use IAB's benchmark students throughout the year to progress monitor achievement

| All Grades | 28 | 28 | 28.13 | 51 | 56 | 51.54 | 20 | 15 | 20.33 |

## Conclusions based on this data:

1. $2016 / 17$ data shows that student achievement remained the same in most areas of Mathematics
2. $2016 / 17$ data shows that there have been some higher percentages of students in grades 4 and 6 who are below standard

## Planned Improvements in Student Performance

## School Goal \#1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Pupil Achievement

## LEA GOAL:

Increase student achievement

## SCHOOL GOAL \#1:

* Increase student achievement in English-Language Arts by 5\% to 74\% Met/Exceeded Standards as measured by 2017-18 CAASPP
* Increase student achievement in Mathematics by 5\% to 59\% Met/Exceeded Standards on 2017-18 CAASPP
* Increase student achievement for students with disabilities by $5 \%$ from $31 \%$ to $36 \%$ in ELA and from $25 \%$ to $30 \%$ in mathematics.
* Implement California State Standards in English Language Arts and Math
* Implement English Language Development (ELD) standards, and Implement California State Standards for Science and Physical Fitness.
* Students receive instruction in all curricular areas as evidenced by regular administrator walk through, formal and informal observations, and teacher implementation of layered activities.
* Increase student achievement in Science, Physical Education as evidenced by student achievement in grade level common assessments (all grades), SBAC results (grades 3-6), Physical Fitness
Testing (grade 5), and CELDT tests. No Science CST results (Grade 5) as we are transitioning to NGSS standards and the CAST. New Statewide assessments for EL students coming as well.
* Increase student achievement in Social Studies and VAPA standards as evidenced by student achievement in grade level common assessments and teacher observation.
* Increase student access/use of technology and teacher technology integration to meet District guidelines

## Data Used to Form this Goal:

Students in Grades 3-6 increased by 10.2 points in ELA in 2016/17.
Students in Grades 3-6 increased by 8.2 points in Math in 2016/17.
$40.5 \%$ of students in Grade 5 met all six criteria, and $30.6 \%$ met five of six criteria on the Physical Fitness Test in 2016/17.
English Language Learners increased by $2.1 \%$ on the CELDT in 2016/17
Instruction in the Visual and Performing Arts standards in all grade levels
End of year data collected in Social Studies based upon the progress report card grades regarding progress toward meeting California State Standards.

## Findings from the Analysis of this Data:

2016/17 data from Smarter Balanced Assessments in English Language Arts and Math showed increased student achievement in both ELA and Mathematics. In ELA, student scores were 42.6 points above level 3. In Mathematics, student scores were 10.6 points above level 3 . We continue to maintain in the area of mathematics instead of showing larger growth which we will be investigating this year. In addition, our Reclassified EL students (RFEP) continue to out perform their English only peers. Also noted was the continued performance gap of over 30\% between our Students with Disabilities and Students without Disabilities.
We had a decrease from $48.6 \%$ to $40.5 \%$ of Mountainview students who met all six criteria on the Physical Fitness Test in 2016-17, however, we increased from $24.8 \%$ to $30.6 \%$ for those who met five or the six criteria Overall, we slightly decreased from $73.4 \%$ to $71.1 \%$ of students meeting five or more criteria. We focused on increasing Abdominal Strength as it was the lowest percentage of students meeting this criteria. This area became more commensurate with at least half of the rest of the physical fitness tasks. Mountainview reclassified 5 of 43 students (12\%) English Learners in 2017. Our EL population has continued to hold steadily at <30 over the past few years. All students will continue to receive instruction in the VAPA standards as well as participate in the FAME program for their grade level. Students in all grade levels will utilize the district purchased "Typing Club" online program and participate the Scholastic Reading Counts program to benchmark fluency and comprehension. In addition, grades 1-6 now have supplemental access to technology with the roll-out of Chromebooks in the classrooms. Teachers are utilizing Interactive Flat Panels in their classrooms and attend workshops and professional development in the area of Google Classroom to enhance student use/access to technology and teacher integration of technology into daily instruction.
Students will continue to receive Social Studies instruction according to the grade level appropriate California Standards and Science instruction to meet Next Generation Science Standards (NGSS).
Differentiation will continue for those students with IEPs as well as students identified as GATE.

## How the School will Evaluate the Progress of this Goal:

Data from school, district, and state assessments will be analyzed to determine a baseline goal and/or to monitor progress towards ELD, PFT, and CAASPP goals.

## Analysis of Ongoing Progress

Students in Grades 3-6 maintained or increased performance levels in each student group reported by the state. Our students with disabilities show increases by 12.4 points, however, there is a gap of 53 points compared to "all students" in ELA and 66 points compared to our English Language Learners. SWD make up approximately $8 \%$ of our student population in grades 3-6. We will focus on our lowest physical fitness task on the State PE test which was in the area of trunk extension. It was between $4-20 \%$ lower than the other tasks with $29.8 \%$ of students not in the HFZ.

## School Goal \#2

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Student and Parent Engagement.

## LEA GOAL:

Increase meaningful and purposeful student and parent engagement

## SCHOOL GOAL \#2:

* Rollout of Positive Behavioral Interventions and Supports (PBIS) school-wide matrix and student created videos of behavioral expectations for the 2017-18 year
* Continued implementation of programs to encourage sense of safety and connectedness to school for students, parents, and staff, and maintenance of suspension rate below
$1 \%$. Programs shall include Circle of Friends, Peer Mentoring, Peer Buddies, Student Service, and PBIS.
* Provide parent workshops to increase parent understanding and support of student learning
* Increase student and parent engagement evidenced by parent attendance at school events,
* Decrease truancy from $18 \%$ to $16 \%$
* Decrease chronic absenteeism (18 or more absences) from 3.2\% to 2.4\%

## Data Used to Form this Goal:

School Site Council Survey Data
Attendance Records from parent meetings
Attendance rates recorded in Aeries.
SART, DART, and SARB results.
Suspension data.
School Site Council Survey
Parent input solicited at parent meetings
Number of student participants in Circle of Friends

## Findings from the Analysis of this Data:

Parents are generally happy with our school. We have moderate attendance at school related meetings. We often try a few evening PTA or school events, however, we have seen better attendance during the mornings.
Mountainview has a moderate portion of students who arrive to school late or who have unexcused absences. We targeted attendance with our PASE program and saw truancy decrease from $17.9 \%$ to $13 \%$ from 2014 to 2015. With our PASE program still in place, in 2017, our truancy increased by $4.5 \%$.
In general, families feel our school environment is safe and conducive to learning. Staff has noticed a need to increase/encourage student engagement to support learning. Families have commented on the need for more attention to and cleanliness of bathrooms.

## How the School will Evaluate the Progress of this Goal:

Attendance records from parent meetings
Site Council Survey Data
Attendance reports. SART, DART, and SARB results.
Suspension data.
School Site Council Data. Parent and staff input.

## Analysis of Ongoing Progress

Due to changes in our attendance and data collection system, letters and meetings were not held as in the past. This may have contributed to the increase in truancy. With the rollout of PBIS after winter break, we will gather data regarding attendance and suspension for deeper analysis.

## Planned Improvements in Student Performance

## School Goal \#3

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Basic Conditions of Learning

## LEA GOAL:

Provide an appropriate basic condition of learning.

## SCHOOL GOAL \#3:

* Provide district purchased standards-based textbooks of Math, Language Arts, Social Studies and Science
* Support new teachers through our District Induction Program and PAR program
* Provide Learning Walks for all teachers with the focus of Academic Language as selected by teachers and administrator input for 2017-2018
* Maintain clean and safe facilities and request repairs based on site walk through by administration and head custodian as well as teacher/staff input and observations

## Data Used to Form this Goal:

* Materials survey completed by administration confirming that standards-based textbooks of Math, Language Arts, Social Studies and Science are available for every student
* 45-day Professional Planning Conferences, Triad Meetings for the Induction Program with new teachers and support providers, formal and informal observations, summative evaluation forms
* Submissions of data collection during Learning Walks, staff agendas showing evidence of staff reflections of learning walks, teacher input via Survey Monkey for input toward and reflection of Learning Walks
* Summary of Open Work Orders through SchoolDude, monthly walk through of site with Head Custodian

## Findings from the Analysis of this Data:

All teachers have needed textbooks and communicate needs as they arise with enrollment fluctuations. The district responds by providing necessary materials as needed New teachers are provided ample opportunities to meet formally and informally with administration to discuss effective, research based teaching practices. Meetings are scheduled formally for support and through the evaluation process as well as through feedback from ongoing walk-throughs by administration.
Teachers are planning more collaboratively by grade level for learning walks and are beginning to apply strategies that are discussed during grade level feedback or during staff meeting reflection opportunities. Teachers are looking for supports to assist in increasing students achievement.
Teachers share facility concerns when they arise; school site and district administration address these concerns.

## How the School will Evaluate the Progress of this Goal:

We will be creating some staff surveys that align with this goal to get staff input.
We use results from annual parent surveys
We will audit our open work orders to ensure items are being addressed in a timely manner

## Analysis of Ongoing Progress

This is a new goal. We will analyze progress throughout this school year.

| Actions to be Taken to Reach This Goal | Students to be Served | Person(s) <br> Responsible | Proposed Expenditure(s) |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  | Description | Type | Funding Source | Amount |
| Provide teachers/students with state adopted, standards-based materials <br> Support for new teachers through | Students in grades TK-6 | Teachers, administrators | Teachers inventory textbooks and materials, teachers let administrators know if additional materials are needed |  | District Funded |  |
| our district Induction Program and Peer Assistance and Review <br> Schedule learning Walks for all | Students in grades K, 2, 4, and 5th grades | Induction support teachers, PAR support teachers, administrators | Formal and informal meetings and observations, feedback provided regarding effective instructional practices | None Specified | None Specified | 0 |
| Language for 2017-2018 <br> Maintain clean and safe facilities | TK-6 <br> Students in grades TK-6 | in TK-6, administrators <br> Teachers, administrators, classified staff, custodial staff district M\&O | Teachers surveyed to determine focus in 2016-17 to be carried into 2017-18. |  |  |  | Teachers submit IAQ surveys, staff relay concerns regarding facilities, SchoolDude system used for entering work orders, review of weekly open work order reports | None Specified | None Specified | 0 |

## Summary of Expenditures in this Plan

Total Allocations and Expenditures by Funding Source

| Total Allocations by Funding Source |  |  |
| :--- | :---: | :---: |
| Funding Source | Allocation | Balance (Allocations-Expenditures) |
| LCFF - Base | 1290 | 0.00 |
| LCFF - Supplemental | 9155 | 0.00 |
| Per Pupil | 63414 | 0.00 |
| Unrestricted | 12,000 | 0.00 |

| Total Expenditures by Funding Source |  |
| :--- | :---: |
| Funding Source | Total Expenditures |
| District Funded | 0.00 |
| LCFF - Base | $1,290.00$ |
| LCFF - Supplemental | $9,155.00$ |
| None Specified | 0.00 |
| Parent-Teacher Association (PTA) | $35,000.00$ |
| Per Pupil | $63,414.00$ |
| Unrestricted | $12,000.00$ |

Total Expenditures by Object Type

| Object Type | Total Expenditures |
| :--- | :---: |
| 0000: Unrestricted | $3,628.00$ |
| 1000-1999: Certificated Personnel Salaries | $4,810.00$ |
| 2000-2999: Classified Personnel Salaries | $20,605.00$ |
| $4000-4999:$ Books And Supplies | $41,384.00$ |
| 5000-5999: Services And Other Operating Expenditures | 398.00 |
| 5800: Professional/Consulting Services And Operating | $15,034.00$ |
| None Specified | $35,000.00$ |

## Summary of Expenditures in this Plan

Total Expenditures by Object Type and Funding Source

| Object Type | Funding Source | Total Expenditures |
| :--- | :--- | :---: |
| 1000-1999: Certificated Personnel Salaries | District Funded | 0.00 |
| None Specified | District Funded | 0.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Base | $1,290.00$ |
| 1000-1999: Certificated Personnel Salaries | LCFF - Supplemental | $2,520.00$ |
| 2000-2999: Classified Personnel Salaries | LCFF - Supplemental | $4,775.00$ |
| 4000-4999: Books And Supplies | LCFF - Supplemental | $1,062.00$ |
| 5000-5999: Services And Other Operating | LCFF - Supplemental | 398.00 |
| 5800: Professional/Consulting Services And | LCFF - Supplemental | 400.00 |
| 1000-1999: Certificated Personnel Salaries | None Specified | 0.00 |
| None Specified | None Specified | 0.00 |
| None Specified | Parent-Teacher Association (PTA) | $35,000.00$ |
| 0000: Unrestricted | Per Pupil | $3,628.00$ |
| 1000-1999: Certificated Personnel Salaries | Per Pupil | $1,000.00$ |
| 2000-2999: Classified Personnel Salaries | Per Pupil | $3,830.00$ |
| 4000-4999: Books And Supplies | Per Pupil | $40,322.00$ |
| 5800: Professional/Consulting Services And | Per Pupil | $14,634.00$ |
| 2000-2999: Classified Personnel Salaries | Unrestricted | $12,000.00$ |

Summary of Expenditures in this Plan
Total Expenditures by Goal

| Goal Number | Total Expenditures |
| :---: | :---: |
| Goal 1 | $114,829.00$ |
| Goal 2 | $5,530.00$ |
| Goal 3 | 500.00 |

## School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

| Name of Members | 可 |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Katie Demsher | X |  |  |  |  |
| Brian Beedle |  |  |  | X |  |
| Jennifer Denzin |  |  |  | X |  |
| Lelia Meadows |  |  |  | X |  |
| Koren Hansen |  |  |  | X |  |
| Lisa Pope |  |  |  | X |  |
| Joan LaMarr |  | X |  |  |  |
| Teri Huscher |  | X |  |  |  |
| Ron Fitzgerald |  | X |  |  |  |
| Dena Abbinanti |  |  | X |  |  |
| Misty Covington |  |  | X |  |  |
| Numbers of members of each category: | 1 | 3 | 2 | 5 |  |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan (Check those that apply):

| State Compensatory Education Advisory Committee |
| :--- |
| English Learner Advisory Committee |
| Special Education Advisory Committee |
| Gifted and Talented Education Program Advisory Committee |
| District/School Liaison Team for schools in Program Improvement |
| Compensatory Education Advisory Committee |
| Departmental Advisory Committee (secondary) |
| Signature |
| Signature |
| Signature |

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on $11 / 20 / 2017$.
