# The Single Plan for Student Achievement 

School: Santa Clarita Elementary School
CDS Code: 19649986022701
District: Saugus Union Elementary School District
Principal: Theophane E. Korie
Revision Date: November 7, 2017

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

## School Vision and Mission

## Santa Clarita Elementary School's Vision and Mission Statements

Santa Clarita serves approximately 387 students in Kindergarten through sixth grades and 114 students in special education and general education preschool. Our school focus is science with integration of technology throughout the curriculum. The staff at Santa Clarita Elementary is a dedicated group of highly qualified professionals. Our mission is to create an environment where students and staff work together with respect, integrity and passion. We are committed to providing excellence in education while modeling good character in order to shape young lives to become productive citizens of tomorrow. Our vision is to deliver academic and personal success for every child in a collaborative, positive, joyful, and safe environment.

## School Profile

Santa Clarita houses approximately 387 students in grades Kindergarten through sixth grades and approximately 114 preschool children in special education. The Kindergarten - 6 grade students are 4.13\% Asian, 4.13\% Black or African American, 37.46\% Hispanic or Latino and 48.06\% White. 10.85\%, 2.32\% two or more races, and 1\% other.36.4\% are English Learners, $36.4 \%$ are Socially Economically Disadvantaged and $19.4 \%$ are students with disabilities.

## Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Student, parent, and teacher surveys were distributed at the end of the 2015-2016 school year. Most parent concerns were related to school safety and facilities. The overall strengths of the school were the staff, family atmosphere, and academic programs.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom instruction is observed informally and formally on a weekly basis. Teachers are utilizing the direct instruction model for new learning and implementing purposeful standards-based activities where students have the opportunity to apply their newly learned skills and conceptual understanding to real world situations. Classroom environments are inviting and students are engaged in a variety of collaborative learning experiences as they work toward mastery of the California State Standards.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Publisher Tests, Teacher Made Assessments, Scholastic Reading Counts, CELDT, ADEPT, Teacher Made Benchmarks, and Teacher Made Culminating Layered Activities (CLAs).
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers review assessment data every three weeks to monitor student learning and modify instruction as needed.

## Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All teachers at Santa Clarita for grades TK-6 are highly qualified. The instructional aide for the GOAL program is also NCLB compliant.
4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers receive training on adopted and other resources that support the implementation of the California State standards.
5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

In addition to the training and conferences listed below, teachers participate in weekly grade level collaborative instructional planning and ongoing staff development. Teachers utilize Systematic ELD, Common Core State Standards, , GATE Differentiated Instruction, Visual and Performing Arts, SPARK, and Brain Based Direct Instruction.
6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Every class has students that experience difficulty in either mathematics or language arts, with some students experiencing difficulty with both subject areas.
7. Teacher collaboration by grade level (kindergarten through grade eight [ $\mathrm{K}-8]$ ) and department (grades nine through twelve) (EPC)

Teachers plan with their grade levels weekly during collaborative instructional planning and on professional development days. Staff meetings include teacher collaboration time to review assessment data, student progress, instructional materials and instructional strategies and plan lessons and Standards-Based Units of Study (SBUS) using Brain Based Direct Instruction and purposeful standards-based layered activities.

## Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Staff continues to research, purchase and implement curricula supporting common core standards-based instruction for students performing below proficiency levels. All students use textbooks and materials adopted by the state of California that are aligned to state standards. Differentiated instruction is provided in the classroom and other small groups for all students. Teachers participate in grade level planning and cross grade level meetings in addition to articulation meetings for students in Special Education and English Language Development.
9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC)

Teachers follow the recommended minutes for instruction in reading/language arts and mathematics.
10. Lesson pacing schedule ( $\mathrm{K}-8$ ) and master schedule flexibility for sufficient numbers of intervention courses (EPC)
11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

The following programs are available for all students:
*Pearson Reading
*EL Achieve's Systematic ELD
*Lessons in Literacy
*Learning A-Z Reading
*Learning A - Z Science
*Handwriting Without Tears
*Scholastic Reading Counts
*Ready Common Core
*McMillan/McGraw-Hill Mathematics
*California Reading and Literacy Project (CRLP) Results Program
12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

## Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

State adopted textbooks and materials are used to assist students in meeting grade level standards. Teachers are CLAD trained and provide Systematic English Language Instruction for English learners based on students' language profiency, Preteach and Reteach Through Small Group and individual Instruction, Cross-age Tutoring, Parent Volunteers, College Students, Brain Based Direct Instruction, Instructional Assistants
14. Research-based educational practices to raise student achievement

Brain Based Direct Instruction, purposeful standards-based layered activities, Standards-Based Units of Study, Systematic ELD, Preteach/Reteach, Small Group/Individual Instruction, SPARK, Character Counts, Positive Behavior Intervention Supports (PBIS), Comprehension Strategies and Reading Fluency.

## Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Student Study Team, Resource Specialist, Language/Speech Specialist, School Psychologist, Parent Volunteers, School Site Council, English Learner Advisory Committee, GATE Parent Group, Parent Teacher Club, Operation School Bell, Translators for Conferences and Parent Meetings.
16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

## Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Homework Haven for English Learners, SED , foster and homeless students in grades first through six, ELL Instructional Groups, Differentiated Instruction - GATE, Resource Specialist Program, Speech Therapy/Language Remediation, After School Intervention for Reading and Math, Instructional Assistants
18. Fiscal support (EPC)

## Conclusions based on this data:

1. $50.88 \%$ of all male students met the standard in ELA.
2. Of all the $49.22 \%$ of male students who did not meet the standard, $22.81 \%$ nearly met the standard.\}
3. The greatest area of need is writing where $29.20 \%$ of all the male students achieved below standard.\}

## Conclusions based on this data:

1. $80 \%$ of the Reclassified Fluent English Proficient (RFEP) students met or exceeded the standard in English Language Arts/Literacy while $20 \%$ of RFEP students nearly met standard.
2. Writing was an area of strength with $40 \%$ of the students achieving at above standard.
3. Reading was the weakest claim area with $10 \%$ of all RFEP students scoring at the below standard level.

## Planned Improvements in Student Performance

## School Goal \#1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Student Achievement

## LEA GOAL:

Increase Student Achievement

## SCHOOL GOAL \#1:

1. Increase achievement in English Language Arts as measured by CAASPP results from $56 \%$ mastery to $65 \%$ as measured by the 2018 CAASPP
2. Increase the number of reclassified English Language (EL) student.
3. Increase achievement in Mathematics as measured by CAASPP results from $43 \%$ mastery to $55 \%$ as measured by the 2018 CAASPP
4. Increase student understanding and Performance in Science
5. Increase Students' Physical Fitness
6. Increase student learning and experience of Visual and Performing Arts (VAPA)
7. Increase student and teacher integration of technology in teaching, learning and assessment.
8. Increase student learning in Social studies
9. Increase student achievement for Students with Disabilities
10. Increase Gifted and Talented Education (GATE) students' achievement

## Data Used to Form this Goal:

CAASPP, and CELDT results from 2016-2017

## Findings from the Analysis of this Data:

In the 2016-2017 school year, $56 \%$ of all students met or exceeded the standard in ELA. No English Learner met the standard in ELA and $80 \%$ of RFEP met or exceeded the standard in ELA. 43\% of the students met or exceeded the standard in Mathematics with 18\% of EL students achieving mastery and 60\% of RFEP students meeting or exceeding standard. $55 \%$ of all student who took the CELDT scored at the Advanced or Early Advanced level.

## How the School will Evaluate the Progress of this Goal:

## *CEDLT, ADEPT, English Language Development Core Curriculum Assessment

*CRLP assessments, Staff monitoring and articulation of student progress during grade level meetings
*Use of Writing Benchmark Scores
*Use of ELA benchmark scores
*Use of Fluency Benchmark scores
*Teacher made assessments
*IEP progress reports
*CAASPP results
*3 week Math assessments
*ELA and Math IABs
Site Council and ELAC review of program implementation

## School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

| Name of Members |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Shanna Wilson |  |  |  | X |  |
| Jenna Roper |  |  |  | X |  |
| Sharon Miller |  |  |  | X |  |
| Sara Jones |  |  |  | X |  |
| Carrie Sabatucci |  |  |  | X |  |
| Dorthea Newcomb |  |  | X |  |  |
| Lesley Clark |  | X |  |  |  |
| Paula Bowers |  | X |  |  |  |
| Kathleen Kanes |  | X |  |  |  |
| Theophane Korie | X |  |  |  |  |
| Numbers of members of each category: | 1 | 3 | 1 | 5 |  |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan (Check those that apply):

| Gifted and Talented Education Program Advisory Committee |
| District/School Liaison Team for schools in Program Improvement |
| Compensatory Education Advisory Committee |
| Departmental Advisory Committee (secondary) |
| Signature |
| Other committees established by the school or district (list): |

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on November 27, 2017.
