# The Single Plan for Student Achievement 

School: West Creek Academy
CDS Code: 19649980119230
District: Saugus Union Elementary School District
Principal: Sue Bett
Revision Date: November 13, 2017

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

| Contact Person: | Sue Bett |

## School Vision and Mission

## West Creek Academy's Vision and Mission Statements

Our motto, "Tomorrow's Future Starts Today," is founded upon the deeply rooted belief that elementary school is the opportunity to equip young minds with solid foundational skills to be active 21st century learners. At West Creek Academy, our goal is to provide a nurturing, well-rounded education that meets the academic, social, and emotional needs of our students while creating a unique opportunity to apply the "Four Cs" - Critical Thinking, Communication, Collaboration, and Creativity. Since the opening of West Creek, as the Saugus Union School District's first focus school in the Arts, we have developed and sustained a unique arts-integrated curriculum requiring students to utilize the dimensions of depth and complexity that are specific to our Advanced Learning Process for Scholars (ALPS). All students are highly engaged in the areas of science, technology, engineering, art, and music classes through our STEAM Pathway Program. As each day dawns, students, teachers, administrators, and parents alike, rededicate themselves in our pledge to "pursue academic excellence and never settle for less than my best." Whether it be through daily collaboration, instruction, creativity, or leadership, we unite together to positively impact our students today, as they become tomorrow's 21st century leaders.

## School Profile

Parent Involvement
Our school is privileged to have a high level of parental support. Volunteers work at the school and in the classrooms on a daily basis. We have quickly established excellent reputation due in part to the support we received from our parents and our community. Parents are kept informed of school events and news through weekly school emails. Parents interested in volunteering at our school should contact the school office for information.

## School Safety

West Creek Academy provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. West Creek Parent Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down. West Creek Academy is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure. Classroom volunteers have been TB tested.

## Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s)

End of Year Site Council Survey

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Administrative Walk Throughs, Learning Walks

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Data from state assessments is analyzed each year and used to plan instruction. Local assessment results, including district benchmark assessments, publisher tests, and teacehr made tests are used to drive instruction.
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

## Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All teachers are NCLB qualified at West Creek Academy.
4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are credentialed and have access to professional development.
5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

We have a comprehensive staff development program that is aligned with our school plan goals. A thorough analysis of our student data is conducted to determine staff development needs. Staff development includes Common Core State Standards, Standards Unit of Studies, GATE/Differentiation training, Systematic ELD, and NGSS.
6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Teachers who have received specialized training teach and mentor their colleagues during the implementation of our many programs (Induction, Coaching). Trainings occur during Professional Development Days, staff meetings and collaborative instructional planning days. Teachers work with the administrator in identifying areas of need for further instruction to improve student achievement in all areas of the curriculum.
7. Teacher collaboration by grade level (kindergarten through grade eight [ $K-8]$ ) and department (grades nine through twelve) (EPC)

Teachers meet in their grade level weekly for collaborative instructional planning to ensure programs are planned and implemented.
8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

West Creek Academy teachers, staff, and administrator are committed to ensuring that all curriculum and instruction are aligned with state content standards. All teachers use adopted California textbook and materials that are aligned to the state content standards. Materials include: Pearson (Language Arts K-6), Mamillan-McGraw Hill (Math, K-6) Harcourt Brace (Science, K-6, Social Studies, Gr. 6), and Scott Foresman (Social Studies, K-5). Classroom teachers provide differentiated instruction for all student groups using adopted materials as well as teacher-created materials.
9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC)

Teachers adhere to recommended instructional minutes for reading and math.
10. Lesson pacing schedule ( $\mathrm{K}-8$ ) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

West Creek has a formal Response to Intervention model (RTI) as well as Student Success Team (SST) Process that are successful. Students receive intervention within the classroom throughout the entire day when teachers work one-on-one or in a small group to reinforce and reteach the concepts in all curricular areas. Additional resources for EL learners and under performing students include: Before/After school lessons, Systematic ELD instruction 30 minutes a day, Intervention support by support staff and parent/community volunteers, etc.
11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students at West Creek Academy have equal access to standards based instructional materials. Standards-aligned textbooks and instructional materials for all student groups are sufficient in both quality and quantity. We follow all materials adoption time lines determined by the state
12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

## Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers meet together regularly to analyze student assessment data and plan for interventions. We have a school psychologist who provide support to teacher regarding behavioral, social, and emotional concerns.
14. Research-based educational practices to raise student achievement

Teachers use many research-based educational practices, such as stating the learning objective, modeling, guided practice and monitoring of success during independent practice. Brain-based information about breaks are built into lessons. Students are taught at optimal times according to brain research; immediately in the morning, after recess and lunch breaks and right after teacher-created breaks.

## Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Teachers and administration communicate on an ongoing, weekly basis with families and community members through the school newsletter and classroom newsletters. Additional communication through email, phone calls, websites, wikki, blog, conferences, family nights, and student success team meetings are provided as necessary. Family, school, district and community resources include: PTA, parent volunteers, student teachers, School Site Council, English Learners Advisory Council, district committees, high school student volunteers, psychologist, counselor, speech pathologist and translators for parent meetings, Family \& Child Center referrals, and Healthy Families referrals.
16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Our School Site Council, Leadership Team, English Learners Advisory Committee and PTA are involved with planning, implementing and evaluating the success of our consolidated application programs.

## Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

West Creek Academy has a part-time English Language Development Instructional Assistant who provide direct classroom support for English Learners at CELDT levels 1, 2, and 3. Teachers in grades K-6 have been trained in Systematic ELD
18. Fiscal support (EPC)

West Creek Academy is supported through state and federal funding. West Creek is not a Title 1 school.

| Grade 5 | 29 | 45 | 35.11 | 58 | 47 | 48.85 | 13 | 8 | 16.03 |
| Grade 6 | 39 | 45 | 44.14 | 53 | 49 | 49.66 | 8 | 6 | 6.21 |
| All Grades | 42 | 47 | 41.38 | 48 | 44 | 47.73 | 10 | 9 | 10.89 |

## Conclusions based on this data:

1. $69 \%$ of all students met or exceeded standards.
2. $39 \%$ of all students exceeded standards.
3. $91 \%$ of all students either nearly met, met, or exceeded standards; Communicating Reasoning was the strongest area with $91 \%$ of students demonstrating ability to support mathematical conclusion at, near, or above standard.

## Conclusions based on this data:

1. $80 \%$ of all female students met or exceeded standards.
2. $51 \%$ of all female students exceeded standards.\}
3. $93 \%$ of all female students either nearly met, met, or exceeded standards; Listening was the strongest area with $94 \%$ of students demonstrating effective communication skills at, near, or above standard.\}

## Conclusions based on this data:

1. A total of 50 RFEP students in grades 3-6 took the CAASPP assessment.
2. $94 \%$ of all RFEP students met or exceeded standards, and additional $4 \%$ nearly met standards.
3. The strongest area were in reading and listening with $98 \%$ of all RFEP students meeting or exceeding standard.

## Conclusions based on this data:

1. $47 \%$ of 34 economically disadvantaged students met or exceeded standards.
2. $76 \%$ of 34 economically disadvantaged students nearly met, met or exceeded standards.
3. $24 \%$ of 34 economically disadvantaged students did not meet standards.

## School Goal \#1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Pupil Achievement

## LEA GOAL:

To improve student achievement

## SCHOOL GOAL \#1:

1. To improve student achievement in English Language Arts and Math.

ELA Goals: As measured by the 2017-2018 CAASPP assessment, our goal is to have 80\% (3\% increase) of students to score either Standard Met or Exceeded in ELA, and 49\% (3\% increase) of students to score Standard Exceeded.
Math Goals: As measured by the 2017-2018 CAASPP assessment, our goal is to have $72 \%$ ( $3 \%$ increase) of students to score either Standard Met or Exceeded in math, and $42 \%$ ( $3 \%$ increase) of students to score Standard Exceeded.
2. To improve student achievement in English Language Development.
*All students will advance one CELDT level.
*30\% of ELLs will be reclassified from LEP to R-FEP.
3. To improve student achievement in Science.
*All students will received instruction in Science which includes implementation of STEMscopes as a resource.
*2015-2016 Science CST: 54\% Advanced; 92\% Proficient or above. 2017-2018- Pilot for CAASPP (no scores).
4. To improve student achievement in Physical Education.

PFT Goal: 93\% Aerobic Capacity, 85\% Body Composition, 75\% Abdominal Strength, $88 \%$ Trunk Extension Strength, $64 \%$ Upper Body Strength, $90 \%$ Flexibility
5. To improve student achievement in Visual and Performing Arts.
*All students will receive instruction in the Arts and Music.
6. To improve student achievement in Technology.
*All students in grades 1-6 will participate in District-provided Typing Club program.
*Students in 1-6 will use Chromebooks to increase achievement in Technology.
7. To improve student achievement in Social Studies.
*All students will receive instruction in Social Studies.
8. To improve student achievement in Special Education Students.
*Annual IEP meetings will demonstrate student growth towards meeting the goals.
*RSP teacher discusses Intervention strategies at staff meetings.
9. To improve student achievement in Gifted and Talented Education Students.
*All GATE identified students will receive differentiated instruction using the Dimensions of Depth and Complexity and explicitly taught critical thinking skills.

## Data Used to Form this Goal:

1. To improve student achievement in English Language Arts and Math.
*All students in grades K-6 will be assessed on Common Core State Standards (CCSS) in English Language Arts and Math.
*All students in grades $3-6$ will be assessed using the state CAASPP program.
ELA (14-15) 79\% (32/47) (15-16) 81\% (31/50) (16-17) 77\%(32/45)
Math (14-15) 67\% (29/38) (15-16) 75\% (31/44) (16-17) 69\%(30/39)
2. To improve student achievement in English Language Development.
*All English Language Learners will be assessed using the CELDT test, EL PAC, and ADEPT test.
3. To improve student achievement in Science.
*In previous years, all students in grade 5 were assessed using the CST Science test. Last year and this year students take the pilot for CAASPP assessment for science. Scores are not given.
*Science (14-15) 91\% (43/48) (15-16) 92\% (38/54)
4. To improve student achievement in Physical Education.
*All students in grade 5 will be assessed using the state Physical Fitness Test.
*2015-2016 PFT: 91\% Aerobic Capacity, 80\% Body Composition, 76\% Abdominal Strength, 81\% Trunk Extension Strength, 91\% Upper Body Strength, 88\% Flexibility
*2016-2017 PFT: 92\% Aerobic Capacity, $80 \%$ Body Composition, 72 \% Abdominal Strength, $86 \%$ Trunk Extension Strength, $61 \%$ Upper Body Strength, $88 \%$ Flexibility
5. To improve student achievement in Visual and Performing Arts.
*Increase the number of teachers receiving the Kennedy Center arts-integrated instruction.
6. To improve student achievement in Technology.
*Usage report provided by Typing Club
7. To improve student achievement in Social Studies.
*Publisher and teacher made assessments.
*According to the end of 2015-2016 school year report cards, $93 \%$ of all students either met or exceeded grade-level standards.
8. To improve student achievement in Special Education Students.
*Trimester progress reports/IEP meeting reflecting the IEP goals.
9. To improve student achievement in Gifted and Talented Education Students.
*Student work samples and teacher lessons.

## Findings from the Analysis of this Data:

*2016-2017 data from assessments listed above will serve as baseline data to be used for writing measurable goals in 2017-2018.
*In English Language Arts/Literature, 77\% of all students in grades 3-6 scored either Standard Met or Standard Exceeded in CAASPP. 46\% of students scored Standard Exceeded.
*In Mathematics, 69\% of all students in grades 3-6 scored either Standard Met or Standard Exceeded in CAASPP. 39\% of students scored Standard Exceeded.
*In English Language Arts/Literature, 61\% of EL students scored either Standard Met or Standard Exceeded in CAASPP. 21\% of students scored Standard Exceeded.
*In English Language Arts/Literature, $94 \%$ of R-FEP students scored either Standard Met or Standard Exceeded in CAASPP. 56\% of students scored Standard Exceeded

## How the School will Evaluate the Progress of this Goal:

*Data from school, district, and state assessments will be analyzed to determine baseline goal.
*As measured by the 2016-2017 CAASPP assessment, our goal is to have 80\% of students to score either Standard Met or Standard Exceeded in English Language Arts/Literature, and $49 \%$ of students to score Standard Exceeded.
*In Mathematics, our goal is to have $80 \%$ of students to score either Standard Met or Standard Exceeded and $49 \%$ of students to score Standard Exceeded.
*Our goal is to have $64 \%$ of EL students and $95 \%$ of R-FEP students to score either Standard Met or Standard Exceeded in the 2016-2017 CAASPP.

## Analysis of Ongoing Progress

| Actions to be Taken to Reach This Goal | Students to be Served | Person(s) <br> Responsible | Proposed Expenditure(s) |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  | Description | Type | Funding Source | Amount |
| English Language Arts and Math <br> Implement Instructional Program with Intensity and Fidelity <br> *Teachers continue to follow district six step plan for implementations of CCSS: <br> 1. Understand grade level standards and increase rigor. <br> 2. Create a plan for order grade levels will teach the standards. <br> 3. Create lessons to match the standards. <br> 4. Create a curriculum guide. <br> 5. Create assessments that measure mastery of what was taught. <br> 6. Create a pacing guide. <br> *Teachers engage in planning collaboratively within and across grade-levels to align instructional methods with standards and to improve teaching practices. <br> *Identify, inventory, and purchase consumable workbooks and learning tools for students (student computers, Chromebooks /laptops in | 2017-2018 School Year | West Creek Staff <br> District | RTI/ELD supplemental materials and instructional supplies <br> Purchase literature sets and library books <br> Teacher Collaboration and Lesson Planning and Intervenion <br> Instructional Assistants in TK/K class Instructional Supplies, including Copier/Printer Contracts Instructional Supplies <br> Admin Dues and Memberships | 4000-4999: Books <br> And Supplies <br> 4000-4999: Books <br> And Supplies <br> 1000-1999: <br> Certificated <br> Personnel Salaries <br> 2000-2999: Classified Personnel Salaries 4000-4999: Books And Supplies <br> 4000-4999: Books And Supplies 0000: Unrestricted <br> 0000: Unrestricted | Unrestricted <br> Parent-Teacher Association (PTA) Unrestricted <br> Unrestricted <br> Unrestricted <br> Parent-Teacher Association (PTA) Unrestricted | $\begin{aligned} & 500 \\ & 2,500 \\ & 12,466 \\ & 16,000 \\ & 53,184 \\ & 3,000 \\ & 3000 \end{aligned}$ |

## Planned Improvements in Student Performance

## School Goal \#2

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet CAASPP targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

## SUBJECT: Engagement

## LEA GOAL:

Increase meaningful and purposeful student and parent engagement.

## SCHOOL GOAL \#2:

1. Parent Involvement
*Increase parent Involvement
*Increase meaningful communication with all stakeholders
*Promote parent participation in programs for unduplicated pupils and special needs subgroups
*Continue to see parent input in decision making
2. Pupil Engagement
*Decrease excessive tardies (>10 days per year) from 2016-2017 school year by 5\%
*Decrease chronic absenteeism (>10 days per year) from 2016-2017 school year by 5\%
*Decrease Truancy rate from 2016-2017 school year by 5\%.
3. School Climate
*Increase students' and teachers' sense of safety and school connectedness (baseline data)
${ }^{*}$ Implement Positive Behavior Intervention and Support (PBIS)
*Continue to maintain less than $0.4 \%$ suspension rate for 2017-2018 school year (district average)
*Continue to maintain 0 expulsion for 2017-2018 school year (district average)
*Improve traffic flow during arrival and dismissal times.

## Data Used to Form this Goal:

1. Parent Involvement
*Site Council Survey Data
*Parent attendance at Site Council Meetings
*Parent attendance at PTA Meetings
*Parent attendance at ELAC meetings
Parent attendance at GATE meetings
*Parent attendance at school/PTA sponsored events (i.e. Back-to-School Night, Open House, Talent Show, Fall Festival, Reflections, Special events, etc.)
*PTA volunteer minutes
*Parent attendance at Conferences

## 2. Pupil Engagement

*Decrease excessive tardies, chronic absenteeism, and Truancy rate
*Attendance reports
Attendance Rate (16-17) > 97\%
(523 ISC Days Completed)
Chronic Absenteeism (16-17) 2.96\%
Truancy Rate (16-17) 21\%
Suspensions (16-17) 0
*Attendance letters
*SART/DART meetings
*SARB meetings
3. School Climate
*Student Information System
*Site Council Survey
*Teacher Survey
*Student Survey

## Findings from the Analysis of this Data:

*According to the most recent site council survey results, parents were generally pleased with the school.
*All areas received an approval rating of no less than $92 \%$.
Parent Satisfaction
(16-17) 22\% completed the survey.
$92 \%$ felt that school was efficiently run.
97\% of students stated their child feels safe at school. 2\% said they neither agreed or disagreed. $1 \%$ ( 2 students) felt their child did not feel safe at school.
Overall experience at West Creek:
*94\% stated Excellent or Good
*5\% stated Fair
1\% stated Poor
*Traffic at drop-off and pick-up were the most common concerns expressed by parents.
Parents seemed very pleased about the Music and S.T.E.A.M. Pathway focus and the education their children received last year.
*Assessments listed above will be used to create measurable goals for 2017-2018 school year.

## How the School will Evaluate the Progress of this Goal:

West Creek will use the data listed under "Data Used to From this Goal."

## Analysis of Ongoing Progress

| 2000-2999: Classified Personnel Salaries | Unrestricted | $16,000.00$ |
| 4000-4999: Books And Supplies | Unrestricted | $59,684.00$ |

Summary of Expenditures in this Plan
Total Expenditures by Goal

| Goal Number | Total Expenditures |
| :---: | :---: |
| Goal 1 | $178,559.00$ |
| Goal 2 | $6,386.00$ |

## School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

| Name of Members | - |  |  |  | $\begin{aligned} & \text { Z } \\ & \text { N } \\ & \text { N } \\ & 0 \\ & 0 \\ & 0 \\ & 0 \\ & 0 \\ & 0 \\ & \sim \end{aligned}$ |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Sue Bett | X |  |  |  |  |
| David Lindsay |  | X |  |  |  |
| Connie Lindsay |  | X |  |  |  |
| Brooke Clark |  | X |  |  |  |
| Linda Johnson |  |  | X |  |  |
| Leslie Powell |  |  |  | X |  |
| Kevin Tung |  |  |  | X |  |
| Amanda Williams |  |  |  | X |  |
| Matthew Nonemacher |  |  |  | X |  |
| Bobbie Lansman, Ed.D |  |  |  | X |  |
| Numbers of members of each category: | 1 | 3 | 1 | 5 |  |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan (Check those that apply):

State Compensatory Education Advisory Committee

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on 11/7/2017.
