School Description

Rosedell School, nestled in the northeast part of the Santa Clarita Valley and thirty miles north of Los Angeles, is a school that works diligently to promote excellence and is proud of the honors it has been bestowed. Rosedell was selected as a California Distinguished School in 1987, 1995, 2000, 2002, and 2006. In the year 2000, Rosedell was selected as one of sixteen schools honored by the state of California for excellence in the arts. Most recently in 2016, Rosedell was recognized as a California Gold Ribbon School and an Exemplary Arts School. Each year Rosedell students receive numerous awards for submissions to essay, speech, art, and academic contests.

“All Students Learning - Whatever It Takes!” is the philosophy that is seen, heard, and felt at Rosedell School. Our vision resonates throughout the entire Rosedell community as we work together to provide all students with an engaging, rigorous learning environment.

The mission of Rosedell School is to ensure that all students will acquire the skills and knowledge needed to be competitive in a modern technological economy and to become productive citizens in a democratic and culturally diverse society by the promotion of excellence in learning a rich, meaning-centered curriculum.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs which help instill a sense of pride in our campus while reinforcing environmental responsibility. Campus supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire drills, quarterly earthquake drills and an annual disaster drill to ensure preparedness in the event of an emergency. As part of our disaster preparedness plan students bring a “comfort kit” which they would use in the event of a disaster.

The district-operated parent-supported Childcare program and Fun for Fours Program on campus provide reasonably priced, safe, supervised before and after school care.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

ELA	53	52	64	62	48	48
Math	47	44	52	51	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students

	14-15	15-16	14-15	15-16	14-15	15-16
Science	90	85	82	79	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	18.4	26.4	39.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**2015-16 CAASPP Results by Student Group
Science (grades 5, 8, and 10)**

Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	117	116	99.2	85.3
Male	66	65	98.5	86.2
Female	51	51	100.0	84.3

Socioeconomically Disadvantaged	25	25	100.0	88.0
Students with Disabilities	23	23	100.0	82.6

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

English Learners	59	59	100	40.68
Students with Disabilities	73	69	94.52	23.19

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Rosedell Elementary is a California Distinguished School committed to the vision of "All Students Learning-Whatever It Takes!" All of us at Rosedell have made a commitment to our "Arts & Technology" focus and to ensuring the best possible educational program for all students.

We know that our success with each student is directly related to the partnership we share with our Rosedell parents and community. To increase our educational success, it is important that teachers, parents and the administrators communicate regularly and effectively. Rosedell's Tuesday Telegram, school and PTA website, teacher newsletters/websites, Infinite Campus, parent conferences, Student Success Team meetings, phone calls and email are part of these efforts. As a member of our educational team, parents play an important role in their child's success.

Our school makes every effort to create and promote a strong relationship between the home and school. The Parent/Student Handbook is intended to provide parents, guardians and students with important information about our school's programs and procedures. Please contact our office at 294-5335 if you have additional questions or would like to volunteer.

We want our school community to be safe, productive and rewarding for all. We encourage parent involvement, so please join our PTA, attend school events and activities, and volunteer in the classroom. We look forward to another excellent school year partnering with parents in their child's education!

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Rosedell Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Rosedell's Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Rosedell Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Professional Development provided for Teachers

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Beginning Teacher Support and Assessment (BTSA) program extends individual support and training and promotes success in the practice of teaching.

Professional growth activities are planned annually based on current need and input received from staff and district. Each year, the teachers' work calendar has included three professional development days. Workshops on professional effectiveness and classroom skills focus on California State Standards, direct instruction methodologies, research based instructional strategies, and technology implementation. Curriculum, instruction, and assessments are aligned with California State Standards. Further trainings have been offered to teachers in the area of Systematic English Language Development, Constructing Meaning, GATE (Gifted and Talented Education), and NGSS (Next Generation Science Standards).

Committees comprised of teachers and administrators continually review the California State Standards and adapt them for our curriculum in mathematics, English language arts, history-social science and science. These standards-based documents are the foundation for what is taught and assessed in our district.

Types of Services Funded

State and federal specially-funded programs at our school include: Standards-based Textbooks and Materials purchases, Gifted and Talented student instruction, English Language Learner services, and School Improvement activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
