About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment in which learning can take place. Playground campus supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in fire drills, lockdown drills, and disaster drills on a regular basis to ensure preparedness in the event of an emergency. A disaster supply bin is maintained on our campus and the disaster plan is updated annually. Staff receives annual training in disaster preparedness, safety training and CPR/First Aid training.

The district-operated, parent-supported childcare program and Fun for Fours Program on campus provides reasonably priced, safe, and supervised care before and after school.

After school, the MPR is used for After School Enrichment activities, Chess Club, Girl Scout meetings, PTA meetings and school functions as well as community events. A school facilities request form can be obtained in the school office when organizations want to use Tesoro del Valle facilities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards

Students with Disabilities	11	11	100.0	27.3

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	36	36	100	16.67
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents can be involved in a variety of ways at Tesoro del Valle. Our School Site Council and English Language Advisory Committee involve parents in program planning each school year. Parents are encouraged to become involved in all aspects of their children's education. Many volunteer opportunities are available such as working in classrooms, chaperoning field trips, helping before school with the valet line, assisting in the library and participating in a variety of PTA sponsored events. All parents are invited to join PTA and actively participate in the planning and coordinating of PTA school events. Tesoro's PTA President, Christine Brungard, can be contacted at the school number, 294-5380 ext. 195. For additional information, the PTA has a website;

<http://www.teacherweb.com/CA/TesorodelvalleElementary/TesorodelVallePTA/apt9.aspx> and a Facebook page as well.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Tesoro del Valle Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Tesoro del Valle's Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted monthly and include earthquake and lock down drills.

Tesoro del Valle Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

The Comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.

- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Professional Development provided for Teachers

Professional growth activities are planned annually based on current needs and input received from staff and assessment data. Teachers implement the State Standards in all academic subject areas using direct instruction for new student learning. Students also participate in rigorous learning activities

that support the standards and provide a rich academic environment. Weekly and monthly collaborative instructional planning is provided for teachers to plan lessons and activities, review assessment data and research instructional practices and resources.

The teachers' work calendar includes professional staff development days and additional professional development is provided after school. Current professional development focuses on increasing the rigor in mathematics, Positive Behavioral and Intervention Supports (PBIS), Stephen Covey's 7 Habits of Happy Kids, Constructing Meaning, arts integration and using technology in the classroom.
